

Dear friend in Christ,

For 35 years now, through the generosity of people like you, Emmanuel International Canada has partnered alongside churches and congregations to bring clean water, sufficient food to eat, adequate health care and education to the world's poorest people, and to share the Good News of Jesus with them.

God has honoured and blessed our work, touching millions of lives in the process. Churches have been planted and built. **People have experienced the love of Jesus personally in their lives.**

We believe that with your help God is calling us to strengthen EICanada so that we can better respond to the physical, social and spiritual needs of the world's poorest people. In addition to raising resources and recruiting people to dig wells, build food security, assist with agricultural sustainability needs, teach, or perform HIV/AIDS work, we also try to reach people, one at a time, with the life-giving message that Jesus loves them and died for them.

**My goal is to raise \$35,000 in this one-time special appeal as an integral part of our 35th Anniversary year.** This will enable us to move forward with confidence to build the resources that are so vital to bringing timely, relevant, transformational aid to communities during periods of world crisis.

Our commitment to you, our faithful supporter, is to exercise the very best stewardship possible in our Canadian operation. We will continue to find ongoing support for our worldwide projects so that, with God's grace and favour, the lives of even more people will be touched through EICanada's outreach.

Your fellow servant in Christ,

A handwritten signature in blue ink that reads "Richard".

Richard McGowan  
Executive Director of EICanada

*May you have a Merry Christmas  
& blessed New Year!*
